

Concast Precast Group

Concast Environmental Policy

Concast Precast Group is a leading precast concrete specialist. Concast design, manufactures and installs precast concrete structural components for the Irish and UK markets.

Concast management and staff are committed to carrying out its operations in a manner which will minimise environmental impact. Concast strive to continuously improve processes and procedures, whilst complying with relevant environmental legislation and other guidance.

We are committed to environmental protection and sustainability, preventing pollution and the minimisation of our impact on the environment.

Concast Management and Supervisory staff are responsible for the implementation of this environmental policy throughout the Company.

This policy and management system, will be regularly reviewed, and changes will be implemented when required by legislative change or other environmental developments.

A handwritten signature in blue ink that reads "Caroline Quinn".
